

## **Dear Parents/Carers**

A big thank you to you all, for your help and contributions that made the Christmas fair a great success, many parents gave up their time to help set up and manage stalls, and everyone gave generous donations, we raised a massive £965.00, this will pay for the children's entertainer and presents from Santa for the Christmas party, and various treats throughout the year, as we have used all our fundraising funds on a new climbing frame and Chelsea football club, that teaches the children football skills on a Tuesday, which the children enjoy.

The children said that they all enjoyed the Christmas fair, I know we all did.

Thank you

Sharon, Christine, Committee and Staff
